NewarkWD_Viol_Last_3Years.xlsx

See the attached. I included all violations for the past 3 years (since 1/1/2015), like I did for the fact sheet. The RTC date is included. The enforcement codes (with descriptions) are included.

Hi Mark - do you have any data for 2018 that we can include? Also, any information on when/how the system was returned to compliance for each of the violations?

I have no comments. I like the format. Very easy to read. Did we share with Nicole Kraft's section?

This is the fact sheet I had prepared last Friday. I made requested changes...unless there are more changes.
